**Subj: Results of Application for NGO Certification System**

Dear Mr. Hengly,

***NGO GPP would like to sincerely congratulate RainWater Cambodia for achieving Certification of compliance against the Code of Ethical Principles and Minimum Standards for NGOs in Cambodia.*** RainWater Cambodia is now officially certified by NGO Code Compliance Committee of NGO GPP for a 3 year period valid from **February 27<sup>th</sup>, 2009 to February 26<sup>th</sup>, 2012.**

NGO GPP recognizes and appreciates RainWater's Cambodia efforts in complying with all standards and being a role model NGO. This endeavor is contributing to the strengthening of the NGO sector in Cambodia.

For ongoing improvement and compliance, NGO GPP has provided some recommendations to further develop RainWater Cambodia practices. RainWater Cambodia will need to communicate with NGO GPP annually (or more frequently) on its progress, changes and improvements. This will include updates on annual organisational report and plans, board meeting minutes, changes in organisational policies (by-laws, personnel, financial and administrative policies), and other incidents occurring which may affect compliance with the standards in the NGO Code. NGO GPP may conduct field checks from time to time to ensure that the standards are maintained and promoted.

Again, congratulations and we look forward to working with RainWater Cambodia further for the benefit of Cambodia.

Respectfully,

Soeung Saroeun

NGO GPP Project Coordinator/

Senior Operations and Finance Coordinator
